

- Comment le château de Versailles permet-il au roi de contrôler une partie de sa noblesse ?

A portrait of King Louis XIV of France, known as "The Sun King". He is shown from the chest up, wearing a dark, powdered wig and a white lace cravat. He is dressed in a grey velvet robe with a high collar and a red and gold patterned lining. The lighting is dramatic, coming from the left, which highlights his face and the texture of his clothing. The background is dark and indistinct.
